Mr. Russell Mokhiber

Re: Massey Energy billboard

Dear Mr. Mokhiber:

We thank you for your recent inquiry regarding billboard advertising with Kanawha Valley Advertising Company. The loss of the 29 coal miners last month is something that is deeply felt in West Virginia and will impact our State, people, and businesses for many years to come. Our primary focus at the present time is to assist our communities in the healing process and pray for the families affected by this terrible tragedy. Accordingly, because of the current conditions, we feel that we are unable to post your billboard at this time.

Should you have any questions, please feel free to contact me directly.

Very truly yours,

Wade H. Leslie, IV
President
